

GUARANTEE

LOUSAVAL, S.L.

Provides under the conditions here defined
A 30 YEARS GUARANTEE

-The guarantee covers the structural failure of the products for the stated period. Structural failure means any defect of slate itself that impairs, under normal conditions of use, the water tightness of the roof.

-The guarantee covers a period of 30 years from delivery of the slates.

-The guarantee implies the provision, for replacement purposes, of every slate not meeting the above criteria.

-The guarantee is only valid where the fixing is carried out in accordance with legal and professional standards as defined in the regulations and directives in force at the time of delivery to the site where the slate is fixed.
